Dear Madam/Sir,

It is my honor and pleasure to invite you to the 4th Investment Conference and the 2nd Invest Forum, titled "Invest Srpska", organized by the Investment-Development Bank of the Republic of Srpska, in cooperation with the Government of the Republic of Srpska and with the support of the President of the Republic of Srpska, Mr. Milorad Dodik.

This prestigious event will take place on the Olympic mountain Jahorina, specifically at the "Termag" hotel complex, from 12 to 13 November 2024.

The "Invest Srpska" event will convene distinguished representatives of domestic and international institutions, companies, and organizations, providing them with the opportunity to learn about the Republic of Srpska as an attractive investment destination, explore public investments and economic projects, and forge new pathways for future business partnerships.

During the Conference, planned for 12 November, discussions will focus on current global events and their impacts on domestic socio-economic trends, modalities for promoting exports, and the investment attractiveness of the Republic of Srpska in an international context. The conclusions of the Conference will be integrated into the development and strategic documents of the Republic of Srpska.

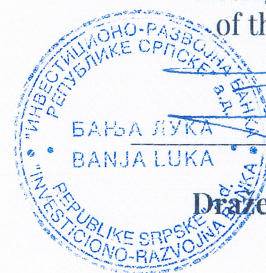

At the Forum, planned for 13 November, concrete offers for investment in the Republic of Srpska will be presented, from public projects to investments in business and industrial zones, from business connections between international companies and companies from the Republic of Srpska through B2B meetings to the presentation of offers for the sale of companies from the Republic of Srpska.
