

Invitation

BCCI, CIPE and the {Institute of Entrepreneurship and Innovation of Corvinus University of Budapest} invite you to their international conference

 **22 November 2023**

 **Corvinus University of Budapest, Faculty Club**

The conference is entitled: Opportunities to raise compliance awareness in the V4 countries

The aim of the conference is to contribute to the policy debate on raising compliance awareness among SMEs and to showcase best practices in this policy area from V4 countries, including NGOs, chambers, multinational companies and public administrations

The conference is free of charge, but registration is required and can be done via this link:
