EKO MODULIS

Company name: **Eko Modulis**
Home page: www.majakatram.lv
Contact Person: **Valdis Graumanis**
Position: **Board member**
Phone: **+371 26422224**
E-mail: info@majakatram.lv

BUSINESS OFFER

"Eko modulis" is Latvian company with its core business line in manufacture of wooden-panel prefabricated houses. "Eko modulis" is the only company in Latvia that offers this kind of wooden-panel prefabricated houses, therefore there is plenty of room for growth and development in this area of business. Company is looking for housing dealers to help with sales of the houses as well as with expansion of international market.

All additional information is available on company website: <https://www.majakatram.lv/lv/>

ABOUT THE COMPANY

"Eko modulis" is an LLC company based in Latvia. Company was founded in 2016 and has its own factory in Jelgava. Main occupation of the company is the manufacture of wooden-panel prefabricated houses.

Company prides itself on being able to construct and produce almost any type of housing based on the customer preferences.

All houses manufactured by "Eko modulis" are built only with use of the highest quality (C24) materials. Company greatly values relationship with clients and is focused on growth. That's way "Eko modulis" is open to new partnerships and a worthy company to join to.
